Dr. Thomason Named 'Doctor of the Year'

Dr. Thomas Herbert Thomason, a physician here since 1921, is Doctor of the Year for 1960.

He was honored by the Tarrant County Medical Society at a dinner last night at River Crest Country Club.

He received the society's coveted gold-headed cane, a symbol of outstanding service, from last year's winner, Dr. C. P. Hawkins. The cane has been presented annually here since 1951.

The 65-year-old physician has served as president of the Tarrant County Medical Society, the Fort Worth Surgical Society and the Texas Surgical So-

ciety. A principal address at the dinner was made by Gen. C. P. Cabell, deputy director of the Central Intelligence Agency, who drew a comparison from the Communist threat and cold war to great epidemics that medical men have had to combat in the past.
